PREGRESS REPORT DATED 8-31-73 Friday

We, Young and Baker continued this investigation and this information compiled was the result of a letter from a subject named: STEVEN DALE AHERN, 9022 Orion #2, Sepulueda, Cal.

This letter was postmarked 24 Aug 1973 and it contained information to the effect that this indivual was a Homosexual, male prostitute and a model for Pornographic films. He went on to saytthat there was a larger organization in the city of Houston and that in the pornographic field this was a large operation with films, books and photos. This subject went on to say that he had been here in 1971 after running an add in the underground newspaper called The Advocate and he received a call from Houston and was brought to Houston with his fare paid and he states that while here that he found a large pornographic empire and the exploitation of young boys.. Ahern also said that while here he was photographed by a WM Named ROY AMES and then spent the night with Ames lover and this was a WM named CHARLES ANSON and he was about 20-23 yrs of age. He also said that the recent victims were photographed by Ames and he can ID one of the victims who appeared in the porno magazine " MORE THAN 7" #1. Also Ames in Houston is supposed to have an interest in BONANZA CO and most of these magazines feature boys from Houston. Ahern says that ROY AMES KNEW DEAN CORLL and used him to exploit young boys. AHERN mentioned several other books and a little more information and this is in the letter attached to this report.

Officers thought that this information should be checked out and a call was made to the LA PD and the CI division was contacted by the CI division her after we had discussed this with them and the LA PD knows of this AHERN and they mentioned that he a member of the NAZI PARTY and writes letters and some of the information he comes up with is good.

Vice division was contatted and Sgt. McMenemy worked as well as Dale Hugger and the following list of books were found and purchased and will be attached and several more are being sought by the IA PD and will be sent as soon as possible, the books that we have now are:

#1 MORE THAN 7 INCHES #4 cost $7.00
#2 GAYBOY vol 1 #3 cost $5.00

PAGE TWO PROGRESS REPORT DATED 8-31-73 FRIDAY

List of books continued:

#3	7 UP #1	cost $6.00	
#4	BONANZA	NUMBER TWO	COST $5.00
#5	GAYBOY	VOL 1 No 4	cost $1.50
#6	GAYBOY	VOL 1 no 5	COST $1.50
#7	GAYBOY	VOL 1 no 6	COST $1.50
$8	HOT RODS	#3	COST $6.00

Officers obtained a partial list of the victims and in HOT RODS #3 on the second page there was a photo that looked like WILLIAM LAWRENCE and the father was called and came to the office and said this was not his dead son and at this time officers still feel that there is a good possibility that it is the dead victims photo.

The subject AHERN was called and officer in Criminal Intell and Det Baker talked to him at length and he repeated what is contained in the letter and added some details and said that the book GAYBOY was published in Texas and he thought that this was in Brenham, Texas. And some of the books had a NY address where money was to be sent. Also he stated that when he was here in 1971 ...he was invited to a SM party at CORLLS apartment and he was asked by AMES and Corll. He added that heddid not know where CORLLS apartment was but thought it was in Pasadena (THIS WAS BECAUSE THE PAPERS MENTIONED PASADENA,) Also Ahern stated that Ames took more than likely took about 30% of the pono photos in magazines around the county., and about 90% or so of the ones in this general area. He mentioned HOMO Heights on Westheimer.

Along with CI, information was sought on the subjects mentioned by Ahern and in the books these subjects are listed in the credits : JOSEPH P. ANTHONY, RAY HOUSTON, AND a record was found on AMES HPD # 134752 and also on CHARLES ANSON it was found that he was listed in the light cos records. Anson works for CLARITY MUSIC co and this is the same address as AMES home address and this is studio type apartment on Whitney st. It appears that all of these subjects are connected by more than queer type associations and are ingaged in some business activity. CRIMINAL INTELLIGENCE HAS MORE DETAILED REPORT ON THESE SUBJECTS.

PROGRESS REPORT:

I, J.A. GAMINO, this evening received a telephone call from

EVERETT WALDROP (WM)(43) 455 N. Highland Ave. N.E. # 4 , Atlanta, Georgia. area code 404 phone # 688-8095.

He told me that he lived in Houston during 1970-1971. And that he was living at 901½ Tulane. He said that hex had two sons.

1- DONALD WAYNE WALDROP (WM) D.O.B. 8-14-55 and
2- JERRY LYNN WALDROP (WM) D.O.B. 9-15-57

He said that during this time that his two sons got to messing around with homosexuals and that he just couldn't stop them. He said that on or about January 30, 1971 his two sons were supposedly going to the Merchants Park Bowling Alley to join a league. This is the last that he has seen or heard from them. He was wondering if perhaps any of the bodies reccovered here in Houston could be his sons. He said that the boys had had dental work done when they were attending

RUTHERFORD ELEMENTARY SCHOOL in Jacksonville, Florida. The school had sent them to the school health center and that the school might possibly be able to help locate the dental records.

He said that some of the names mentioned that his sons were chumming with were a BILL WALLS and a ROY AMES.

He said that if he could help in any other way to call him collect at any hour of the day or night.

I went to Juvenile and they did have a missing report on these two boys. The records are stored but the Juvenile Division will get the records and send us a copy. The Juvenile numbers for the boys are :
Dohald Wayne Waldrop 277360
Jerry Lynn Waldrop 277362

In talking to Detective Larry Earls I learned that he had found two bodies in one grave at 4500 Silver Bell. Along with the bodies he found two billfolds with some I.D. in them of Edward Waldrop. He also found not in the billfolds but by the ~~xxxxxxx~~ bodies (1) plastic enclosed social security card in the name of Edward L.Waldrop and a grey plastic card from Grady Memorial Hospital in Atlanta, Ga. to Jerry L. Waldrop.
